concluiu com sucesso o Certificado Profissional on-line

Google Advanced Data Analytics

Those who earn the Google Advanced Data Analytics Certificate have completed seven courses that include hands-on, practice-based assessments and are designed to prepare them for advanced roles in data analytics and entry-level roles in data science. They are competent in exploring large datasets, applying data analysis techniques, and building models to extract insights. They are also competent in machine learning, predictive modeling, and statistics.

Certificates

Este certificado atesta a conclusão do aluno em um programa on-line oferecido pela Coursera. Ele não constitui uma matrícula formal em nenhuma universidade ou entidade, e não concede crédito acadêmico, notas ou um diploma. Instituições ou organizações podem, a seu critério, reconhecer esse aprendizado em seus próprios programas ou credenciais.
